CSS
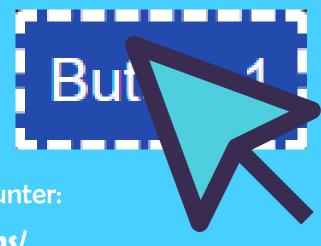

Moderne CSS-Buttons mit geilen Animationen

Button 1

But 1

Jeden Monat ein neuer Button unter:

https://n-km.github.io/buttons/

```
.btn1 {
        padding: 10px;
        border-width: 5px;
        border-color: transparent;
        border-style: dashed;
        border-radius: 5px;
        color: white;
        background-color: rgb(32, 8
        transition: 0.2s;
        align-self: center;
        font-size: 25px;
        cursor: pointer;
}
.btn1:hover {
        transform: translate(0, -5px);
        background-color: rgba(32, 82, 209, 0.782);
        border-color: white;
        border-style: dashed;
}
.btn1:focus {
        background-color: white;
        color: rgb(32, 82, 209
```
